

Triangle Kids Camp was born out of the minds of several Children's Pastors in the Raleigh/Durham area. While this area is not short of Christian summer camp opportunities, these pastors were looking for something specific.

### They wanted:

- A camp that boys and girls in their church can attend together
- A camp that encourages the work of their regular volunteers
- A camp with a dynamic Large Group worship and teaching
- A camp that is fairly local to cut down on transportation costs
- A camp that is managed mainly by them to reduce costs

All of these things have transpired into the Triangle Kids Camp!

### BASIC INFO:

**Dates** – July 5 (PM) - July 8 (AM)

**What they will do** – Participate in challenging, adult-led Bible studies, build lasting relationships, attend great worship sessions, and take part in some fun (and sometimes crazy) extra activities!

**Cost** – \$215 student and adult rate. Scholarships may be available. See Children's Ministry Team member for details and payment arrangements.

The camp website tells about the camp including the daily schedule, what to bring, what to expect, and videos from last year's camp.

### FOR PARENTS:

**Location** – Camp will be held at Louisburg College in Louisburg, NC. The students will stay in dorm rooms (two per room) near an adult room. (We are expecting a 4:1 student:adult ratio, so each adult will be responsible for only two rooms.)

**What to plan** – We will have a 'Getting Ready for Camp' meeting a few weeks prior to the camp. We will have all the forms to turn in, and we will need the child's insurance card so we can make a copy if there is an emergency.

**While they are at camp** – There will be opportunities for the kids to buy camp materials like CDs, shirts, and posters. The college will have their student store open while we are on campus. Please send your child with some extra money to purchase extra items if you like. If camp is not too far away, the children will not need money for meals.

**E-mail for campers** – Parents will be able to e-mail messages to their children while they are at camp. The messages will be delivered daily to the students.
